

Travel in through Buckie and along past the harbour or, alternatively, through the industrial estate to the East of Buckie. Follow the coast road eastwards out of Buckie towards Strathlene and turn right after you pass the Craigenroan Bar (signposted Portessie Primary School). At the top of the hill there is a roundabout at which you take the first left onto Chancellor Road. The Hall is set back from the road on the left hand side and sits on the cliff top – it is not immediately visible until you see it between the houses. Please note that only 'badge holders' may park on the access roadway. On street parking is of course permitted in the surrounding area.
